

FINANCIAL POLICY

Welcome to our practice! We are happy that you have chosen us for your periodontal needs.

We understand that you may have Delta Dental insurance. This is a benefit provided for you by your employer. Please keep in mind there are many different Delta Dental plans and it is your responsibility to know your insurance plan. Our treatment planning is based on your need as a patient and not according to your insurance coverage. We are happy to assist you in filing claims, but ultimately you are responsible for your treatment and the associated costs involved. In order for us to file your dental insurance claim we will need the policy holder's social security number.

Every effort is made by our staff to give estimates for all treatment prior to the occurrence. We would like you to keep in mind that costs could change according to needed procedures that occur during performance of the treatment. Your estimated patient portion is expected at the time of services rendered. We accept cash, check, Visa or Mastercard. Financing is available through our partnership with CareCredit.

Your time is important to us. We carefully schedule needed appointments in order to have an adequate amount of time for you. We kindly require 48 hours notice to cancel or change any appointment. There may be a charge for appointments cancelled or unattended without adequate notice.
